

# Planning your Graduate Defense

This form is intended to guide you through the final phases of defending your thesis or dissertation. There are a number of small considerations that typically escape the attention of a student in the final weeks before they defend. Plan to work through this sheet about a month prior to your defense and submit no later than three weeks prior to your defense.

Student Name _____	Student ID _____
--------------------	------------------

Program	<input type="checkbox"/> MS - Computer Science	<input type="checkbox"/> MS - Electrical Engineering	
	<input type="checkbox"/> MS - Computer Engineering	<input type="checkbox"/> MS - Materials Science & Engineering	
	<input type="checkbox"/> PhD - Electrical & Computer Engineering		

Advisor/Committee Chair	_____		
Committee Members	_____	_____	_____
	_____	_____	_____
	_____	_____	_____

Preferred Time/Date 1	Date _____	Time _____
Preferred Time/Date 2	Date _____	Time _____
Preferred Time/Date 3	Date _____	Time _____

It is important to select multiple dates & times for your potential defense. Presentation times are largely dependent upon room availability. Be sure that your committee members are available at the times selected.
